Local Martial Artists Host Fundraiser for Japan

MORENO VALLEY, CA Taylor Martial Arts, located in Moreno Valley, is hosting a free family-fun day on April 16, 2011 with a focus on raising money for the victims of the earthquake and tsunami in Japan. The activities which begin at 10:00 a.m. will last throughout the day and include a free family safety training class for all ages, the opportunity to break a board, 10,000 punch-a-thon and a nunchaku class.

Students and visitors at the school are encouraged to pick up their pledge forms for the board breaking and punch-a-thon to help raise money, which will be sent to Riverside's sister city, Sendai. All donations made that day will be given to the City of Riverside to be sent directly to Japan. The event is free to the public, however, donations are encouraged.

"Our goal is to have our community do 10,000 punches helping them to get stronger while raising money to help those in need at the same time. We like that our students care about the global community and wanted to do something to help those in need. Our karate tradition comes from Japan so we feel a close tie to the tragedy there," Shihan Taylor said.

If you are interested in participating in the day's events please call the dojo at 951.924.1955 to reserve your spot. If you would like to pick up a pledge form please visit the dojo at 24318 Hemlock Avenue, Suite G-4, Moreno Valley or you can download it off of their website at www.taylormartialarts.com
